

2017 Life Skills Experience

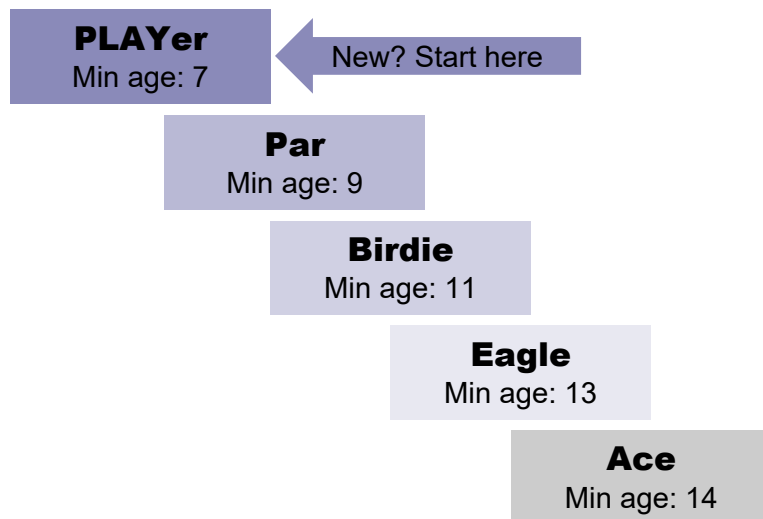

More than a golf camp! Developed by leading educators and coaches around the country, The First Tee Life Skills Experience (LSE) is an innovative, proven program that uses a platform of golf instruction to teach kids the important character-building life skills, core values and healthy habits they'll need throughout lives.

- Children start as early as age 7, and advance through the program's five tiers as they age and complete proficiency testing in both their golf and character skills.
- Participants are encouraged to continue in TFT through H.S. graduation. As teens at higher levels, TFT offers a range of opportunities to earn scholarships, and participate in leadership & golf experiences.

New to The First Tee? All children begin at the PLAYER level.

Returning students enroll at the program level they've achieved. Contact us if you're unsure of level.

At all levels, must reach minimum age by first week of session.
